

SENATE BILL 484
By Burks

AN ACT to amend Tennessee Code Annotated, Section 49-2-301,
relative to elected superintendents of public instruction.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 49-2-301, is amended by adding the
following new subsection:

(e)

(1) Notwithstanding the provisions of this section or any other provision
of Chapter 535 of the Public Acts of 1992 to the contrary, any county may re-
establish the office of county superintendent of public instruction by a majority
vote of the membership of the county commission. The office shall be filled by
popular vote for a term of four (4) years. Elections shall be held at the regular
August election. The person elected shall take office September 1 following the
election.

(2) A candidate for the office of county superintendent of public
instruction shall be a person of literary attainment and experience in the art of
teaching and school administration, and shall possess a license of qualification
issued by the state board of education prior to employment as superintendent.
The state board of education shall establish minimum requirements for a license

of qualification for superintendent, which shall include, but not be limited to the following:

(A) The applicant shall hold a teacher's professional license with endorsement as principal and/or supervisor of instruction;

(B) The applicant shall hold a master's degree with a major in educational administration to include study areas such as:

- (i) School organization and administration;
- (ii) Supervision, curriculum development and evaluation;
- (iii) School finance, housing and transportation;
- (iv) School and community relationships; and
- (v) Techniques of problem solving by group process.

(C) The applicant shall have had five (5) years' experience to include both teaching and/or administrative experience.

(3) The superintendent of public instruction shall have all the powers provided to directors of schools and any reference to "director of schools" shall be deemed to be a reference to "superintendent" in those counties which restore this office.

(4)

(A) If the office of superintendent of public instruction is re-established, this shall not act to abridge the contractual term of any appointed director of schools. If a county chooses to conduct an election prior to the expiration of a contract, it is the responsibility of the county commission to satisfy any contractual obligation to an incumbent director of schools.

(B) No board of education shall appoint or extend the contract or term of a director of public schools after a county re-establishes the office

of superintendent, but may appoint a qualified person as acting director until the office of superintendent is filled by the voters.

SECTION 2. This act shall take effect July 1, 2003, the public welfare requiring it.
